ON MATTERS CONSTITUTIONAL

The Schwarzkopf Foundation is the international umbrella organisation of the European Youth Parliament (EYP), EYP Country Name is a National Committee in the EYP Network.

This logotable structure works well when all the logos are of similar dimensions, in the shown example – horizontal.

Please be mindful of the order of information – First initiated by, then partner logos, lastly the Schwarzkopf footer.

In cases where partner logos have noticeably different proportions, as shown in this example where vertical, horizontal and circular dimensions mix, it becomes difficult to find a balanced arrangement since gaps between logos become varied.

In such cases, consult the design solutions offered on the next pages.

In the framed logotable variant, it is also possible to change the background colour of each frame to better fit the corporate identity of the partners we work with. It also acts as a solution when a partner might only have white or close to white logos.

As long as the proportions are maintained between elements, the scaling of the logotable can be adjusted to fit as many rows and columns as needed.
